

# DLS | Mounting Kit

## Product Description

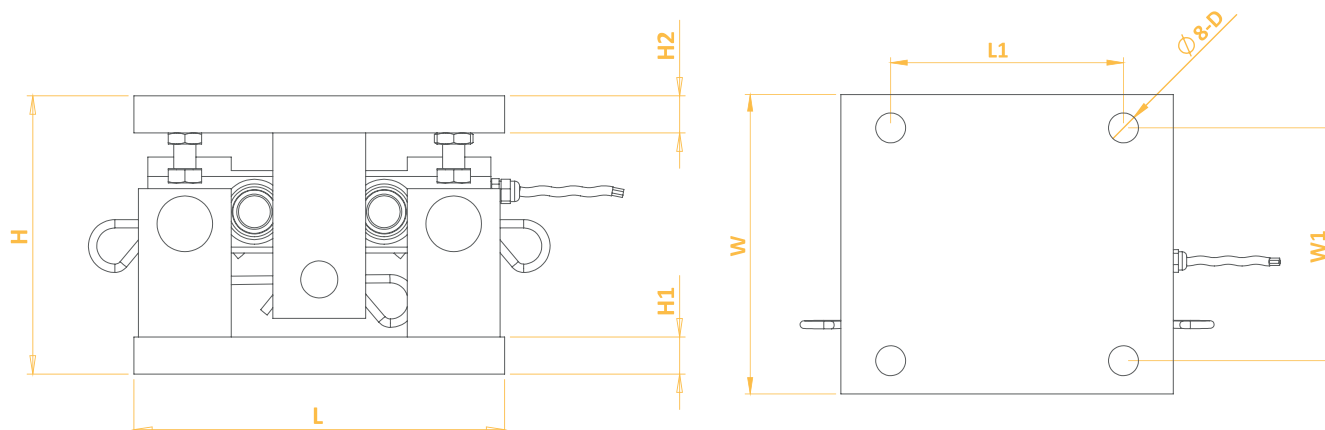

The DLS mounting foot and tank weighings are manufactured with galvanized or stainless steel body options. Its low-profile design provides fast and easy installation. During service operations, it allows the load cell to be replaced practically without using a jack.

## Capacity Table

Kapacite	L	L1	W	W1	H	H1	H2	D
10 - 15 - 20 Ton	200	140	180	140	150	20	20	18
30 - 40 Ton	300	175	220	175	185	25	25	22
