

B-YB | Floor Scale

Product Description

The B-YB Platform Scale is designed for safe and efficient use in heavy industrial environments. It features a sturdy steel construction and is equipped with four IP68 protected C4-class load cells. This scale, capable of high-precision weighing, provides an effective solution for industrial and commercial applications. With a height of approximately 10 cm from the ground, the scale is easily accessible via ramps on both sides, allowing easy use with pallet trucks and trolleys.

Technical Specifications

Processor	24-bit processor	Display Adjustment	Adjustable up, down, left, right
Screen	Wide LCD screen	Check-Weighing Function	HI / LO / OK indicator and sound
Connection	RS 232 connection	Casing	ABS plastic case
Weight Control	Lower limit weight control	Lighting	Automatic backlight & LED display
Hold Feature	Weight hold feature (HOLD)	Operating Temperature	-10 °C / 45 °C
Charging Duration	200 hours rechargeable usage	Load Cell	4 unit
Screen Alerts	Display alerts	Casing Feature	Static painted iron case
Protection	Insect and pest protection - Static electricity protection	Power Supply	110V / 220V
Auto Power-Off	Not in use (optional)	Balance	Adjustable ground leveling feet

Application Areas

- Production
- Storage
- Cargo / Transportation
- Quality Control
- Commercial Weighing Applications

Capacity

Dimension	Capacity
80x100	600Kg / 200gr
80x100	1500Kg / 500gr
80x150	2000Kg / 500gr
